Re: Atlantic Circuit District Attorney

Dear Governor Kemp,

I respectfully offer my recommendation for Richard Braun, Jr. to be appointed to fill the vacancy for the position of District Attorney for the Atlantic Judicial Circuit. I have known Mr. Braun for more than 25 years and I am very familiar with his reputation as an attorney and administrator.

Mr. Braun has extensive experience prosecuting serious criminal cases and he has the administrative experience to manage the Office of District Attorney. Mr. Braun is very well respected in the Circuit amongst the members of the bar, courts and law enforcement.

In summary, the Atlantic Circuit will be very well served by Mr. Braun as District Attorney. Thank you for considering my recommendation and everything you have done for the State of Georgia.

With best regards,

John D. Harvey
